JORDANIAN SOCIETY
OF RHEUMATOLOGY

In commemoration of World Arthritis Day
The Jordanian Society of Rheumatology
Invites you to the first Jordanian Rheumatology Scientific Day

Bridging Research and Practice in Jordan

Thursday
OCTOBER 10th 2024

Kempinski Hotel, Amman, Jordan

The scientific day is dedicated to revealing research conducted in Jordan by the rheumatology community.

The primary objectives are to increase the visibility of research activities, strengthen the field of research in the country, and foster collaborative connections both locally and internationally. Both oral and poster abstracts will be presented.

SCIENTIFIC TOPICS

- Inflammatory arthritis
- Connective tissue diseases
- Vasculitis
- Autoinflammatory disorders
- Osteoporosis
- Osteoarthritis
- Miscellaneous conditions and case reports

Call for Abstracts

Abstract Submission Deadline Extended: **31 AUGUST 2024**

For more information and abstract submission,
please visit our society website. www.jsr-jo.org

The scientific day is accredited by the
Jordan Medical Council for Continuing
Medical Development (CPD).
